Key takeaways

- Renewable energy can help meet energy demand and NDC targets
- Grid integration is possible – grid flexibility is key!
- Need for scaled private finance to meet renewable energy targets
 - Leverage of public funds to attract private capital
- Planning and investment in transmission
- Policies and incentives needed to attract private investment
 - Increase bankability with good enabling environment
- Simplified financing approaches are needed to channel resources
- Promise of energy miracles and disruptive technologies

Energy and Finance Working Group Track

Wednesday

11:00 – 13:00

A2:
The Role of Renewable Energy in Reaching NDC Goals

15:30 – 17:30

B2:
Building Clean Energy Demand in Asia – The Role of the Private Sector in Driving Clean Energy Deployment

Thursday

10:15 – 13:00

C3:
Tools and Resources: LEDS and NDC Energy Planning

A2:
**The Role of Renewable Energy in
Achieving NDC Commitments
Across Asia**

A2: The Role of Renewable Energy in Achieving NDC Commitments Across Asia

- Learn about the unique and dynamic renewable energy landscape across Asia
- Identify key renewable energy building blocks
- Understand the myths about renewable energy grid integration
- Inform the inaugural NDC Finance Community of Practice and NDC Finance Fellows program

A2: The Role of Renewable Energy in Achieving NDC Commitments Across Asia

11:10	Renewable Energy Across Asia: Status and Opportunities
11:25	RE Targets and Pathways to Meeting Energy Demand in Vietnam
11:40	Role of Green Banks in Driving Renewable Energy Investment
11:55	The Utility of the Future: Scaling RE in Bangladesh
12:10	Working Session: Analysis of Key Barriers to Scale Across the Energy System

A2: The Role of Renewable Energy in Achieving NDC Commitments Across Asia

Mr. Trinh Quoc Vu
Ministry of Industry and Trade,
Vietnam

Rob Youngs
Coalition for Green Capital

Alexia Kelly
*CEO, Electric Capital
Management*

Shah Zulfiqar Haider
Rural Electric Cooperative of
Bangladesh

A2: The Role of Renewable Energy in Achieving NDC Commitments Across Asia
