Key GIZ activities supporting the MRV and NDC tracking in Viet Nam

- Technical support to the (I)NDC process and NDC review and update
- Support development and initial implementation of the *“Plan for Implementation of the Paris Agreement”*
- Support institutional arrangement for MRV & NAMAs
- Development of the MRV Portal, linking with Climate Change and NRE database of MONRE
- Experience from MRV for 2 bankable NAMAs
- Experience from support to BUR2 development, GHG inventory and TNC
- Capacity building and support to climate negotiation
- Continue support in the new project (SIPA)

Future Support to NDC tracking & implementation

- Linkage between the NDC update, Plan for Implementation of the Paris Agreement (PIPA), MRV of the NAMAs, MRV Portal, national GHG Inventory system and the future National MRV system: Importance of data information-sharing mechanism
